-- 81 HEAD --

A Near Dispersion and a Big Reduction of These Two Herds

**11 Top Quality Bulls
14 Bred Cows and Heifers**

**24 Cows with Calves at foot
8 Open Heifers**

Willard and William Hartman started their Shorthorn herds in 1944 on their farms near Barnard, Missouri. Willard, now in the grain elevator business, is making a near dispersion of his herd, and William is cutting deeply into his herd to help provide a top offering. Their production records have been good. They showed the reserve champion bull of the 1955 Missouri State Shorthorn Breeders Sale and they had the reserve and grand champion bulls of the 1956 Northwest Missouri Spring Association Sale. Steers bred by them have been champions at several interstate Junior Shows at St. Joseph.

11 BULLS — including NORSEMAN'S MERCURY, a four-year-old son of Broadlawn Norseman 23rd, purchased in the 1954 Iowa Royal Sale, and out of a dam by Edellyn Moray Mercury. EDWIN SUPREME, a three-year-old son of Edwin Royal Leader and a half-brother to the \$10,000 International grand champion bull, Edwin Leader. There will be 5 yearling and two-year-old sons of WAYBAR RANDOLPH, imported-in-dam grandson of Kirkton Baronet, and out of a daughter of Chappelton Crusader. One of these, WAYBAR RANDOLPH 4th, a red, Augusta two-year-old, is truly outstanding.

46 FEMALES — including daughters of Kinellar Nonesuch, Tolquhon Enterprise, the \$5,000 Baldowrie Watchman, Fearless Headlight, Prince Peter Pride, Achtoi's FM's Crusader, and there will be 8 daughters of Prince Royal, the 1952 Northwest Missouri champion son of Kinellar Nonesuch that was sired by Uppermill Ambassador, which bull also sired the dam of Kinellar Napoleon, top selling bull of the 1956 Perth show and sale in Scotland, that was purchased by Acadia Farms, Northfield, Ohio, for \$25,500.

Remember — everything sells T.B. and Bangs tested and fully guaranteed.

YOU CAN HELP YOURSELF TO QUALITY HERE . . .

Willard and William Hartman patronized some of the best sales in the United States and Canada in establishing their two northwest Missouri herds on their farms near Barnard in 1944. Willard at the present time is engaged in the grain elevator business, and due to his absence from home a great deal of the time, will make a near dispersion of his herd. William Hartman is cutting deeply into his breeding herd to round out this 80 head offering, and I urge everyone interested to try and inspect the cattle that are selling, before sale day, at the farms located 12 miles south of Maryville, Missouri, on Hiway No. 71. You will certainly like their present senior herd sire, Waybar Randolph, an imported-in-dam son of Naemor Randolph that is sired by Calrossie Baronet by the noted Kirkton Baronet. His dam, Cluney Lady Augusta 36th, was personally selected in Scotland by Grant Campbell, and she is a daughter of Chapelton Crusader.

To everyone looking for real top herd sire prospects, I would like to call their attention to the two junior herd sires selling in this sale, lots 1 and 2, Norseman's Mercury and Edwin Supreme, both purchased in Iowa Royal Sales and both outstanding young breeding bulls with good pedigrees. Certainly one of the best young bulls to sell this fall, any place, will be the lot 3 bull, Waybar Randolph 4th, a red, Augusta two-year-old that is tremendously deep, thick and smooth, and short-legged. He is burley headed and only the fact that William Hartman is keeping so many of his half-sisters is he being offered in this sale as one of the attractions.

Female buyers will also like the large number of outstanding cows with calves at foot, and bred and open heifers.

For some outstanding Shorthorn values, I urge you to make plans now to be at Maryville, Missouri, on November 19.

WAYBAR RANDOLPH -- Our senior herd sire and a grandson of the noted Kirkton Baronet and we think his pedigree is hard to beat. He is proving a great breeding bull, too. His first son was champion of the Northwest Missouri Shorthorn Sale this past spring and we are keeping another of his top young sons for our junior herd sire. His dam, Cluney Lady Augusta 36th, was purchased for us in Scotland by Grant Campbell and she has been a consistent producer of top calves for us. You will like the get and services of Waybar Randolph that we are selling in this sale.

NORSEMAN'S MERCURY — was purchased in the 1954 Iowa Royal Sale from George Struve & Sons and we believe we can show you calves in this sale that prove that he is really quite a breeding bull. Due to the great reduction being made in our breeding herd at this time, we are also offering this bull that is just four-years-old. His dam is a granddaughter of the Perth champion, Calrossie Mercury, and his sire is a grandson of Killearn Norseman 3d, the \$2600 son of the Perth reserve champion and top selling bull, Norseman. WAYBAR RANDOLPH 4th -- here is without a doubt the best bull we have ever produced. He is very smooth, deep-bodied, short-legged and well-balanced. He is a dark red and only because of the fact we are keeping so many of his half-sisters in the herd and because his sire is still a young bull and in heavy service, is this young bull being offered at this time. We sincerely think that he is the kind of a bull that can fill the needs of the most discriminating buyer.
